

6th 7th and 8th grades:

Monday and Tuesday:

The students are reading a new comprehension passage through it they will:

- Learn new vocabulary,
- Revise the nouns and match it with the right adjective,
- Answer specific and detailed questions
- And order sentences.

Wednesday:

The students will work in groups on their book report, by the third week of October they will have to present their book to the class. This presentation will be conducted in Arabic 100%.

The presentation will include;

- the book title,
- the author name, and
- the location, a
- summary of the story
- And their personal opinion of the story.
- Students will introduce their books through visuals and or power point presentation.

Thursday:

Exercises related to the work of the week, this week it will be related to nouns and adjectives in sentences.

Friday:

Newspaper day; several students will read their selected title and we will discuss it, these titles will be used later on as translation exercise.
