iii. **School Code Approval.** After securing both site approval and architectural review approval a school code shall be obtained. The Charter School shall contact the GaDOE and make a request for a school code. The Charter School shall properly obtain a school code prior to occupancy of the site and/or facility.

b. Prior to opening the Charter School and prior to students occupying any proposed facility, including new facilities to be occupied during the charter term, the Charter School shall obtain and submit the following documents to the SCSC:

i. **Documentation of Ownership or Lease Agreement.** The Charter School shall obtain documentation of ownership or the lease agreement for the facility that will house the Charter School.

ii. **Certificate of Occupancy.** The Charter School shall obtain a Certificate of Occupancy for the facility in which the Charter School shall be located.

iii. **Emergency Safety Plan.** The Charter School shall prepare a safety plan in accordance with O.C.G.A. § 20-2-1185, which plan shall be submitted to the local emergency management agency that oversees the area in which the school is located.

24. **Transportation.** To the extent the Charter School offers a transportation program for its students, the Charter School shall ensure that the program complies with all applicable laws governing transportation of students.

25. **Food Services.** To the extent the Charter School offers a food service program, the Charter School shall ensure that the program complies with all applicable laws governing food service for students.

26. **Projected Enrollment.** For the purpose of funding students enrolled in the Charter School in the first year of the Charter School’s operation and each year the Charter School offers a new grade level, the Charter School may be required to provide the SCSC a projected student enrollment count that includes prospective student names, Georgia Testing Identifier (GTID), if available, and any other information as requested by the SCSC. The Charter School shall provide this information by the deadline established by the SCSC and in the form and manner as requested by the SCSC. The information provided by the Charter School pursuant to this section may be verified by the SCSC through an onsite visit or by other means.
27. **Data Collections.** The Charter School assumes sole responsibility for accurate and timely collection and transmission of required data submissions to the SCSC and other government agencies, including but not limited to: the GaDOE, the Georgia Professional Standards Commission, and the United States Department of Education. The Charter School shall utilize a Student Information System that is compatible with the system utilized by the GaDOE. Upon signature of the charter contract, the Charter School affirms its understanding that inaccurate or untimely data may have an adverse impact to the academic, financial and operational standing of the school and further affirms its understanding that the SCSC does not guarantee any opportunity or ability to correct any data reporting errors made by the Charter School.

28. **Required Trainings.**

In the Charter School’s year prior to opening for students, in any year in which the school voluntarily defers its opening, or in any year its opening is suspended by the SCSC, the Governing Board must receive governance training by the SCSC rather than an alternate provider approved by the SCSC.

29. **Termination of Charter.**
   a. **Termination Procedures.** The parties acknowledge and agree that this Charter may be terminated following the procedures set forth in O.C.G.A. § 20-2-2068, any applicable rule of the State Board, or SCSC Rule 691-2-.04.
   
   b. **Grounds for Termination.** The Charter School acknowledges that this Charter may be terminated for any reason set forth in law or any applicable rule of the State Board or SCSC, which includes, but are not limited to:
   
   i. The Charter School’s failure to comply with any material provision set forth in this Charter, provided that they shall be notified by certified mail and be given thirty (30) days from
receipt of notice to cure the breach. The nature and outcome of the breach shall be memorialized and maintained by the SCSC in accordance with applicable record retention schedules;

ii. The Charter School’s failure to comply with any recommendation or direction of the State Board with respect to O.C.G.A. § 20-14-41;

iii. The Charter School’s failure to adhere to any material term of this Charter, including but not limited to the performance goals set forth in Section 9 above;

iv. The Charter School’s failure to meet generally accepted standards of fiscal management;

v. The Charter School’s violation of applicable federal, state, or local laws, or court orders;

vi. The existence of competent substantial evidence that the continued operation of the Charter School would be contrary to the best interests of the students or the community;

vii. The Charter School’s failure to comply with any provision of the Charter Schools Act; or

viii. The existence of conditions that place the health, safety, or welfare of students or staff of the Charter School in danger.

30. School Closure. In the event the school ceases operations, either through non-renewal, early termination, voluntary closure, or other means, the school must, at minimum, take the following actions:

a. Student Transition Plan. The Charter School shall create a transition plan to facilitate its students’ transition to other educational institutions. The transition plan shall outline a variety of educational options students may be eligible to attend including traditional public schools, locally-approved charter schools, state charter schools, and private educational options. The transition plan shall include protocols to ensure the appropriate transfer of student records. The Charter School shall provide the transition plan to the SCSC and parents of enrolled students within fourteen (14) calendar days of its governing board’s decision to cease operations or the SCSC’s notice to terminate or non-renew the Charter School’s charter contract;

b. School Website. The Charter School shall maintain the website of the Charter School for a minimum of six (6) months from the date education operations cease. For the purposes of this section only, education operations mean any period during which instruction is provided by the Charter School to enrolled students. At minimum, the website shall include contact information and instructions regarding requests for student and employee records;
c. **Notification.** The Charter School shall make reasonable efforts to inform stakeholders of the school’s closure, including the staff and parents, general public, appropriate local districts, and creditors;

d. **Closure Monitor.** The SCSC Executive Director will appoint an individual to monitor the closure activities of Charter School (“Closure Monitor”) within fourteen (14) calendar days of the governing board’s decision to cease operations or the SCSC’s decision to terminate or non-renew the school’s charter contract. The SCSC shall be responsible for all costs and expenses of the Closure Monitor;

e. **Duties of Closure Monitor.** The Charter School shall remain responsible for fulfilling all legal and contractual duties, including those arising from this Charter. The role of the Closure Monitor shall be to review the Charter School’s actions to conclude its financial affairs, settlement of accounts, disposition of assets, return of surplus to the SCSC, and provision for maintaining student, employee, and school in accordance with applicable retention schedules beyond the operation of the school. The Closure Monitor shall notify the SCSC of any action taken by the Charter School that is inconsistent with the school’s legal or contractual obligations. The Charter School shall allow the Closure Monitor access to all records, reports, documents, and files pertaining to any activity or program of the Charter School;

f. **Closure Process.** The Charter School shall align closure activities to the SCSC Closure Guide in a form and manner as requested by the SCSC to ensure orderly closure of the Charter School; and

g. **Surety.** The Charter School shall maintain a surety bond throughout the entirety of its charter term and six months following the conclusion of the charter term to assure the faithful performance of the duties of the school and its employees, including the fulfillment of Charter School’s obligations in closing the financial affairs in the event the school ceases operation. The bond shall be in an amount no less than $100,000 to be payable to the State of Georgia through the State Charter Schools Commission. The bond shall be furnished by a company authorized to do business in Georgia. The provisions of this subsection shall not be interpreted to preclude Charter School from obtaining liability insurance coverage or surety or fidelity bonds in addition to or in excess of the requirements of this subsection.

31. **Pre-Opening Suspension.**

a. **Demonstration of Adequate Preparation.** The Charter School shall demonstrate its preparation for operations through the significant progress in completing the SCSC Pre-Opening Checklist in a form and manner as requested by the SCSC. If the Charter School fails to demonstrate significant progress in completing the SCSC Pre-Opening Checklist by the time in which the SCSC determines the school will be unable to meet its obligations under this Charter upon serving students, the SCSC may suspend the opening of the Charter School until a time after the Charter
School demonstrates its ability to meet its obligations under this Charter. The determination of the Charter School’s significant progress in completing the SCSC Pre-Opening Checklist and the school’s ability to meet its obligations under this Charter shall be in the sole discretion of the SCSC.

b. **Violation of Law or Contract.** In the event the Charter School fails to comply with applicable law or any material provision set forth in this Charter, including, but not limited to, facilities requirements outlined in Section 21, or enrollment requirements outlined in Sections 3, 6, and 24, the SCSC may suspend the opening of the Charter School until a time after all requirements have been fulfilled by the Charter School as determined by the SCSC. The determination of the Charter School’s violation of applicable law or any material provision set forth in this Charter shall be in the sole discretion of the SCSC.

c. Any pre-opening suspension imposed under this Section shall not result in an extension of the charter term set forth above in Section 2.

32. **Renewal, Non-Renewal, and Probationary Term.**

a. **Renewal.** The Charter may be renewed by agreement of the parties following the procedures set forth in the Charter Schools Act and accompanying SCSC Rule. The parties recognize that the renewal process will commence prior to the conclusion of the final year of the charter term and, as a result, the SCSC renewal decision will likely not include student achievement and school operational data from the final year of the charter term.

b. **Non-Renewal.** Any grounds for termination stated in Section 25b above also may be grounds for non-renewal. In addition, the SCSC may elect not to renew the Charter if the petition for renewal does not comply with the Charter Schools Act and the rules, regulations, policies, and procedures promulgated in accordance with the Charter Schools Act or if the SCSC deems that the Charter School has not sufficiently increased student achievement or is no longer in the public interest notwithstanding the Charter School’s performance on the SCSC Comprehensive Performance Framework.

c. **Probationary Term.** In the event the SCSC determines that the Charter School has failed to comply with any provision of this Charter, the SCSC may elect to grant a renewal for a probationary term, within which term the Charter School must come into compliance satisfactory to the SCSC.

33. **Temporary Extension.** At the discretion of the SCSC, this Charter may be extended for a grace period not exceeding sixty (60) days.
34. **Amendments to the Charter.** Any material term of this Charter, to be determined by the SCSC, may be amended in writing upon the approval of the SCSC and a majority of the Governing Board of the Charter School. Any proposed amendment shall be made in accordance with SCSC Rule.

35. **Administrative Clarifications.** Any clarification to a non-material term of this Charter, as determined by the SCSC, shall be submitted in writing to the SCSC for review. Any non-material term of this Charter may be clarified upon in writing by SCSC staff.

36. **Indemnification.**

   a. The Charter School agrees to indemnify, defend and hold harmless the GaDOE, the SCSC, and the State Board, their officials, officers, employees, agents, volunteers, and assigns (all of whom hereinafter may collectively be referred to as "Indemnitees"), from any and all claims, demands, suits, actions, legal or administrative proceedings, losses, liabilities, costs, interest, and damages of every kind and description, including any attorneys’ fees and/or litigation and investigative expenses, for bodily injury, personal injury, (including but not limited to the Charter School’s employees), patent, copyright, or infringement on any intellectual property rights, or loss or destruction of property (including loss of use, damage or destruction of Indemnitee owned property) to the extent that any such claim or suit was caused by, arose out of, or contributed to, in whole or in part, by reason of any act, omission, professional error, fault, mistake, or negligence whether active, passive or imputed, of the Charter School, their employees, agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incidental to their performance of this Charter regardless of whether such liability, claim, damage, loss, cost or expense is caused in part by an Indemnitee.

   b. The Charter School shall be excused from their indemnification obligations above: (a) If the claims, demands, suits, actions, proceedings, losses, liabilities arise solely and exclusively out of the negligence of the Indemnitee seeking indemnification; or (b) If the Indemnitee fails to (i) provide written notice of the third party claim or suit within a reasonable time, (ii) cooperate with reasonable requests of the Charter School related to the indemnification; or (iii) assist the Charter School with the defense of such claim or suit.

   c. The Charter School's obligations to indemnify any Indemnitee shall survive the completion, expiration, or termination of this Agreement for any reason.

37. **Non-Agency.** The parties expressly acknowledge and agree that the Charter School is not acting as the agent of the State Board, Department, or SCSC except as required by law or this Charter. The Charter School acknowledges that it is without authority to, and will not, extend the faith and credit of the State Board, Department or SCSC to any third party.
38. **Delegation.** The Charter School acknowledges and agrees that the functions and powers provided for in this charter may be exercised only by the Charter School and may not be delegated to a third party without written agreement by the parties.

39. **Assignment.** This Charter shall not be assigned or transferred by the Charter School unless consented to in writing by the SCSC.

40. **Third-Party Beneficiaries.** There are no third-party beneficiaries to this Charter. The Charter School’s staff, students, parents, or related organizations are not beneficiaries to this Charter.

41. **Application of Amended Law.** This Charter is subject to applicable federal and state laws, rules and regulations and shall be deemed amended to reflect applicable changes to those laws upon the effective date of any such change.

42. **Non-Waiver.** No waiver of any breach of this Charter shall be held as waiver of any other or subsequent breach.

43. **Severability.** If any provision of this Charter is determined to be unenforceable or invalid for any reason, the remainder of the Charter shall remain in full force and effect.

44. **Contradicting or Conflicting Provisions.** If any provision of the Charter is determined to contradict or conflict with any other provision of the Charter, the contradiction or conflict shall be resolved in favor of the broad flexibility guaranteed pursuant to O.C.G.A. § 20-2-2065 et seq.

45. **Governing Law and Venue.** This Charter shall be governed by, subject to, and construed under the laws of the State of Georgia. This Charter shall be interpreted in accordance with O.C.G.A. §§ 20-2-2060 et seq. and §§ 20-2-2080 et seq., as amended within the term of this Charter. Any action brought by one party to this Charter against another party shall be brought in the Superior Court of Fulton County.

46. **Entire Agreement.** This Charter sets forth the entire agreement between the Petitioner, and the SCSC with respect to the subject matter of this Charter. All prior contracts, representations, statements, negotiations, understandings, and undertakings between the Petitioner and the SCSC are superseded by this Charter. The Charter shall not preclude the Charter School from entering into or maintaining any agreement with the Local Board provided no such agreement supersedes, overrides or conflicts with any provision of this Charter. The petition submitted to the SCSC serves only as the formal application for the Charter School and does not constitute a contract between the SCSC and the Petitioner. This Charter supersedes and overrides any provisions contained in the petition that conflict with this Charter.

OVERVIEW:

Comprehensive Performance Framework for State Charter Schools

PURPOSE

Quality charter school authorizers establish standards for school performance that are clear, quantifiable, rigorous, and attainable. The SCSC Performance Framework includes academic, financial, and organizational performance measures that establish expectations, guide practice, assess progress, and inform decision making over the course of the charter term and at renewal or revocation.

The three areas of performance covered by the frameworks—academic achievement, financial management, and organizational compliance—correspond directly with the three components of a strong charter school application and are the three areas on which a charter school’s performance should be evaluated. In each of the three areas, the framework asks a fundamental question:

1. Academic Performance: Is the educational program offering students a better educational opportunity than they would otherwise receive at a traditional public school?
2. Financial Performance: Is the school financially viable?
3. Organizational Performance: Is the organization effective, compliant, and well run?

SCSC PERFORMANCE EXPECTATIONS

State Charter Schools are expected to meet academic, financial, and operational standards during every year of the charter term. However, schools that demonstrate a consistent track record of strong performance over multiple years may earn a standard five-year renewal. Additionally, schools that finish their first charter term strong (despite early struggles), and schools that consistently perform on par with the attendance zone they serve may earn an abbreviated three-year charter renewal. The intent of an abbreviated charter term is to assess the school’s ability to sustain the requisite performance level.

SCSC renewal eligibility criteria are meant to serve as a guideline to inform renewal decisions. However, the SCSC may exercise discretion in approving renewal terms outside of these guidelines.

A New School (i.e. a school concluding its first/initial charter term):

To earn for a standard five-year renewal, a school must:

A. meet financial and operational standards at least 50% of the time (2 of 4 years), OR
B. meet financial and operational standards in Year 4 of the charter term, AND
• meet academic standards at least 75% of the time (3 of the first 4 years of a 5-year charter contract term).

To earn an abbreviated three-year renewal, a school must:

• must meet financial and operational standards in Year 4 of the charter term, AND
A. perform at least as well as¹ (no more than 3% below) the attendance on any one or combination of the CCRPI indicators in all relevant grade bands in Year 4 of the charter term, OR
B. outperform on the VAM or be designated BTO in Year 4 of the charter term, OR
C. perform at least as well as the attendance zone on any one or combination of the CCRPI indicators outlined within the CPF, 75% of the time.

¹ The phrase “as well as” in terms of state charter school renewal eligibility equates to having a score that is no more than 3% below the comparison attendance zone score.
A Tenured School (i.e. a school concluding a second or subsequent charter term):
To earn a standard five-year renewal, a school must:
  • meet academic, financial and operational standards for a majority of the contract term (3 of the first 4 years of a
    5-year charter contract term or 2 out of 3 years of a 3-year charter contract term).
To earn an abbreviated three-year renewal, a school must:
  • meet financial and operations standards 75% of the time AND
  • meet academic standards or perform at least as well as the attendance zone on any one or combination of the
    CCRPI indicators outlined within the CPF 75% of the time.
SECTION I: ACADEMIC PERFORMANCE

FUNDAMENTAL QUESTION
Is the educational program offering students a better educational opportunity than they would otherwise receive at the traditional public school?

INDICATORS
To answer the above question, the SCSC uses performance metrics derived from:

- the College and Career Readiness Performance Index (CCRPI), the statewide accountability tool. The CCRPI includes a content mastery component that assess student proficiency and a progress component that uses student growth percentiles to assess student growth. And from,
- Two statistical predictive measures that take into consideration the school’s student body make-up, the Value-Added Model (VAM) and the Beating the Odds (BTO) measure.

MEETING GOALS
A state charter school can meet annual SCSC academic accountability standards by outperforming its attendance zone in terms of student achievement or growth as measured by the CCRPI Single Score, CCRPI Content Mastery, CCRPI Progress, CCRPI Grade Band Score, Value-Added Model impact scores, and Beating the Odds designation.

A state charter school only needs to outperform the attendance zone on one, not all, of the academic metrics. For schools that serve multiple grade bands, a combination of grade band measures (CCRPI Content Mastery, CCRPI Progress, CCRPI Grade Band, and Value-Added Model (VAM) scores) can be used to demonstrate performance. The school must outperform the attendance zone on any one or combination of grade band measures in all grade bands served.

ATTENDANCE ZONE- COMPARISON SCORE CALCULATION METHODS

The SCSC uses three methods to calculate comparison attendance zone scores when assessing state charter school performance on the CCRPI:

- **District Average**: The state charter school’s score is compared to the score of the district(s) included in its attendance zone. If a school serves a single district, it is compared to that district’s score. If it serves multiple districts it is compared to the simple average of those districts. If the school has a statewide attendance zone, then the school is compared to the state average. The SCSC uses GaDOE CCRPI reports to determine the comparison scores.

- **District Weighted**: The state charter school’s score is compared to a “District Weighted” score that uses the proportion students the school enrolls from each district served. If a school serves a single district, it is compared to that district’s score because 100% of students enrolled in the state charter school are zoned to attend that district. However, if a school serves multiple districts or has a statewide attendance zone, a district weighted comparison score is generated based on the proportion of students the school actually enrolls from each district. For instance, if a school enrolls 80% of its students from District A and 20% from District B, then the comparison score will be comprised of 80% of District A’s CCRPI score and 20% of District B’s CCRPI score. The SCSC uses the GaDOE Data Collections FTE System of Residency report to determine district enrollment proportions.

- **School Weighted**: The state charter school’s score is compared to a “School Weighted” score that uses the proportion of students the school enrolls from each school attendance zone served. The student-level address element in the GaDOE Data Collections Student Record report, is used to determine which school each student enrolled in a state charter school is actually zoned to attend (the school the student would attend if they were not enrolled in the charter school). The SCSC weights those schools’ CCRPI scores based on the proportion of students enrolled. This is same process that is used to generate the District Weighted comparison scores just at the more granular, school level.

NOTE: A school is considered meeting standards if it outperforms any on one or combination of the comparison calculations across academic metrics.
SECTION II: FINANCIAL PERFORMANCE

Fundamental Question
Is the school fiscally responsible and financially viable?

Indicators
To answer the above question, the SCSC uses a data, mostly derived from each school’s independent financial audit, to assess a school's performance on near-terms measures, which are used to calculate a charter school’s ability to cover its short term (less than 1 year) financial obligations and sustainability measures which are used to determine a charter school’s ability to cover long term obligations as well as their ability to effectively control cost.

1. The near-term measures include current ratio, unrestricted days cash, enrollment variance, debt to income ratio and a default measure.
2. The sustainability measures include an efficiency margin and debt to asset ratio.

Meeting Goals
In any year of the charter term, a state charter school will satisfy annual financial accountability requirements by earning enough points across near-term and sustainability measures to secure a financial score of at least 80 which equates to meeting financial standards.
